Relevant Experience

Graphic Designer, March 2021—Present **Ebenezer Church, Stafford, Virginia**

My position develops and designs all graphical material to promote various ministries of the church focused on target audience & age groups. This includes physical print, website, motion graphics & sermon graphics.

Outreach Production Officer, March 2018—July 2020 **Rainforest Trust, Warrenton, Virginia**

The Outreach Production Officer provides support in creating and maintaining assets for the Outreach department. This role manages Rainforest Trust's digital library and its best practices. The Officer logs, labels and catalogs all photo, video and audio content created in house as well as all content sent to the organization from our partners. The Officer works to establish relationships with photographers and other content creators online from places like Flickr to help expand the digital library. This role aids in publication layout as well as sourcing photos for each print project, articles for the web and social media posts. The Officer assists in color correcting photos for any needs for other departments.

Graphic Design Intern, June—August 2016 **D3 Systems, Inc., McLean, Virginia**

My experience being a graphic design intern with D3 Systems was a wonderful experience. A small company can really feel like a second home. As a member of D3's Image Task Force, my primary job was to assist with external branding and marketing. I created graphics for research papers, cover letters and presentations. I felt like this was a productive summer and a great internship opportunity.

Art Director, January 2016—December 2017 **Design Lab, Longwood University**

Student run design agency.

Design Lab is a student run design agency within Longwood University. Our focus is to design for not only our allies at school but for local, statewide and national organizations. My role was to be a designer alongside my teammates as we work on multitasking projects. I have made branding logos, posters, certificates, brochures and marketing materials for an assortment of organizations.

Certifications & Education

Longwood University, Farmville Virginia, August 2014—May 2018

Bachelor of Fine Arts

Major in Graphic Design

Minor in Business Administration

Concentration in Brand, Identity & Media Design
